It is hereby notified that the school operations at Bolpur Branch will cease to function due administrative reasons and constraints w.e.f 31st of March, 2025.

In context to the above, all the parents are informed and humbly requested to meet the contingency and the impact that will arise out of the closure of the school w.e.f 31/03/25 amicably. It is deeply regretted that out of sheer compulsion, this sad news had to be shared to expose one and all to the fact and the reality which may kindly be pardoned and beared with unconditionally, as the setback suffered by the school in it's noble bid to make the dream come true at Bolpur was shattered intently beyond any scopes of assessment.
